This Warranty is not transferable or assignable to any person.

Save as herein provided, there are no other warranties, conditions, representations or guarantees, express or implied, including, without limitation, warranty of merchantability or fitness for a particular purpose, made or intended by AMS or its authorized distributors.

Some provinces or states may not allow limitations on the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not entirely apply to certain customers. Any provision in the Warranty which is unenforceable in any province or state shall be ineffective to the extent of such unenforceability, without invalidating the remaining provisions or affecting the validity or enforceability of such provisions in any other province or state.

This Warranty gives the customer specific legal rights, and the customer may also have rights which vary based on state, province or country.
