

Bottom mount waste management system offering 2 frames width options for single or double bin applications with high weight capacity. Door mounted; it can also be equipped with an optional “Push To Open” Device.

Advantages

- Suitable for face frame or frameless cabinets.
- Easy mounting on the bottom of the cabinet and to the cabinet door.
- The door mounting brackets offer finetuning adjustments in all directions.
- Comes equipped with full extension undermount slides and a soft closing device.
- Can also be equipped with a “push to open” device which opens the system with a little push on the door, practical when you have your hands full. No electricity required!
- Sturdy yet elegant side railing that keeps bins in place during opening and closing.
- Load capacity of 100 lbs.
- Frames are available in chrome, silver grey or anthracite finish.
- 2 frames widths available for single or double bins.
- Bin options: 25.5qt (24L) , 36qt (34L) & 52qt (49L)
- Optional lids available in matching colors for the 35Qt (34L) and 52Qt (49L) bins only.
- The smaller frame offers an extra storage shelf at the back, when using a single 36 or 52 Qt bin. Ideal to store cleaning products. When using two 25,5 Qt (24L) bins, the rear shelf must be removed.

2 frames widths available for single or double bin applications. Available in Grey, Chrome or Anthracite finish

Bins are available in White or Silver Grey finish and in 52 Qt (49L), 36 Qt (34L) or 25,5 Qt (24L) capacities.

Note: The 25.5 Qt (24L) bins can only be used as a set/2 with the narrow frame. The frame’s rear shelf must also be removed.

Lids available in White and Silver Grey finish. Fits on both 36 Qt (34L) and 52 Qt (49L) bins only

For a complete set, order :

- 1 Frame (Wide or narrow version)
- 1 or 2 bins
- 1 lid (for use with 34L or 49L bins only)
- 1 PTO system (Optional Push to Open device)

Narrow Frame:
for 1 x 34L or
1 X 49L or
2 x 24L bins.

Wide Frame:
for 2 x 34L or
2 X 49L bins

FRAMES

Model	Silver Grey	Chrome	Anthracite	Min. opening Width	Min. interior Depth	Min. opening Height
Narrow	61010100	61010140	61010906	FF : 11 1/2" (292mm) FL : 12 1/2" (318mm)	22 3/8" (568mm)	Bin height + Lid Height + 1 1/2" (38mm)
Wide	61020100	61020140	61020906	FF : 14 1/2" (368mm) FL : 15 1/2" (394mm)	22 3/8" (568mm)	Bin height + Lid Height + 1 1/2" (38mm)

PTO Automatic hand free opening system. A light pressure on the door activates the automatic opening.

BINS, LIDS and PTO system

Description	Silver Grey	White	Anthracite	Prod. Width	Product Depth	Product Height
Bin 34 L	51012100	5102030		14"(356mm)	11" (279mm)	18" (457mm)
